

Louise Robarts & Musical Life In Edwardian Potton

Dr Ross Purves Associate Professor of Music Education
UCL Institute of Education

Dr Purves has used material from the Potton History Archives to prepare a talk on musical life at the parish level over a century ago. He was due to give this talk last October. He has prepared a short ‘U-Tube’ video to introduce his talk which we hope to feature in October 2021.

Visit our web site www.pottonhistory.org.uk to view the video.

Also check our web site for our programme for 2021. We hope to be able to provide ‘real’ meetings from mid-year onwards.

Watch out for January’s presentation on the
“Street Names of Potton, Past, Present & Future”.
