

Potton History Society Archive Collection

Use of Archive Materials

The Society holds a variety of material, some donated and some collected by members, to provide a Local History Archive for the benefit of all those connected with Potton.

The materials, which are kept on private property, may be viewed by appointment to support private research. They may not be used for commercial or personal gain without the agreement of the committee of the Society (registered Charity 290895) which would appreciate a donation to its funds from users of its archives to help with maintaining and developing the collection.

Copies of items for which the Potton History Society holds the copyright in the archives can be provided at 50p per A4 copy or £4 for a photograph (£3 members) with £1 postage & packing. Requests for digital copies of Society material must be submitted to the committee for its approval.

I agree that any copies of items from the Potton History Society Archives will only be used for private research or non-profit activities and will not be used for personal or commercial gain without the permission of the Society Committee.
